## List of instructions made via helpline approved with the authorisation code

Placement of the following instructions by phone at 32 357 00 69: unblocking a card, temporary blocking of a card, enabling/disabling the contactless functionality for a card, change of transactional limits for a card, ID stoppage, removing a store/ browser from purchases without a BLIK code, change of the account for BLIK service, change of limits on BLIK payments for adult users, unblocking BLIK contactless payments, setting or removing a daily limit on transactions, is carried out by providing by the user such an instruction together with SMS code to the employee of the Bank, if the process requires it. The customer will receive the SMS code indicated above from the Bank to the phone number for authorization in the Internet banking System.

## Online banking System certification

Entrust company is the issuer of the certificate for the online banking System.

## Chat in the internet banking System

Chat is open from Monday to Friday, from 8:00 to 22:00 hours and on Saturday, 08:00 to 16:00 hours.

## Archive usage principles

1. With the Archive, the user has access, upon closure of the internet banking System, to the documents saved in the electronic system for mail delivery.
2. To log in to the Archive, the user first has to provide us with their data which they will use to log in – the e-mail address and authorisation telephone number. The user may forward the data when closing the internet banking System. After access to the System has been closed, it will be possible to give the data only in a bank outlet performing the activity.
3. The user logs in to the Archive at the website [login.ingbank.pl/archiwum](https://login.ingbank.pl/archiwum) using the formerly provided e-mail address and the one-off password sent to the authorisation telephone number.
4. The user may block access to the Archive after login into it with the Block button. Access to the Archive may also be blocked for the same reasons as applicable to the Online Banking System.
5. The instruction to unblock the Archive or change the Archive login data will only be accepted from the user in a bank outlet performing the activity.
