

2022-12-21 Report no. 25/2022: Decision of the Polish Financial Supervision Authority on a change of the other systemically important institution buffer.

Further to current report no. 23/2022 of 22 September 2022, the Management Board of ING Bank Śląski S.A. ("Bank") hereby communicate that on 20 December 2022 the Bank received a decision from the Polish Financial Supervision Authority ("PFSA") on a change of the other systemically important institution buffer for the Bank. In line with the principles adopted by the PFSA, the adequate value of the buffer was determined as the amount equivalent to 0.5% of the total risk exposure.

The PFSA decision means that the other systemically important institution buffer for the Bank shall be changed from 0.75% to 0.5%.

Legal grounds: Article 17.1 of Regulation (EU) No. 596/2014 of the European Parliament and of the Council of 16 April 2014 on market abuse (MAR).
