

ING Bank Śląski adds Luxembourg funds to its offering – a new offer for Private Banking clients

11 December 2025

ING Bank Śląski adds Luxembourg funds of ING Group to its offer. Thanks to the strategic partnership with ING Solutions Investment Management (ISIM), the Luxembourgian subsidiary of ING Group, the bank has opened new investment opportunities for its Private Banking clients.

The offer was extended in response to the growing demand among the Polish clients who look for products that provide a broad access to strategies investing in international markets all over the world. The introduction of those funds to Poland is testament to the global capabilities of ING Group.

With the collaboration with ISIM, ING Bank Śląski will get the ability to offer investment solutions from Luxembourg which provides and maximises the value delivered to our clients. That partnership has considerably strengthened the Private Banking and Investment offering of ING Bank Śląski, in response to the growing market demand for international funds among affluent clients who search for diversification and new investment opportunities, adds Ewa Łuniewska, Vice President of ING Bank Śląski in charge of the Private Banking Clients and Investment Division.

ISIM funds in the bank's offer:

The bank's offer for Private Banking clients will first be enhanced with nine strategies of ING Aria umbrella fund in EUR.

The offer includes ING Sustainable Bonds sub-fund which is focused on investment-grade

corporate bonds.

Investors looking for diversified risk solutions may choose from four strategies which invest both into funds as well as directly in equities and debt instruments: ING Impact Fund Moderate, ING Impact Fund Balanced, ING Impact Fund Active and ING Impact Fund Dynamic.

The offer also includes subfunds investing into index mutual funds and ETFs which provide a broad exposure to global markets: ING Global Index Portfolio Conservative, ING Global Index Portfolio Balanced, ING Global Index Portfolio Active, and ING Global Index Portfolio Dynamic. It is a proposal for clients who want to take advantage of global trends and solutions while building their portfolio based on index strategies.
