

2022-09-22 Report no. 23/2022: Polish Financial Supervision Authority request for opinion of the Financial Stability Committee on determining the buffer of other systemically-important institution.

The Management Board of ING Bank Śląski S.A. ("Bank") hereby communicate that on 22 September 2022 the Bank received a request from the Polish Financial Supervision Authority ("PFSA") for opinion of the Financial Stability Committee ("FSC") on determining the buffer of other systemically-important institution ("O-SII") for the Bank, whose adequate value resulting from the principles adopted by the PFSA should be determined in the amount equivalent to 0.5% of the total risk exposure amount.

The decision shall be taken by the PFSA upon the issue of a stance by the FSC. The Bank will communicate the PFSA decision on the amount of the O-SII buffer in a separate current report.

The current O-SII buffer is set for the Bank at the amount equivalent to 0.75% of the total risk exposure amount.

Legal grounds: Article 17.1 of Regulation (EU) No. 596/2014 of the European Parliament and of the Council of 16 April 2014 on market abuse (MAR).
